Part 4A – Professional Judge Scheduling

Professional Judges – CrossComps at Facilities are judged by Professional Judges (as opposed to CrossComps at Events, which are judged by Volunteer Judges (Part 4B).

The following screens demonstrate how Professional Judges get scheduled to judge CrossComps at a Facility (gym).

Tapping “Professional” on the Professional “Menu” screen (Refer to Part 1, page 39.) opens the Professional “Dashboard” screen.

Professional Dashboard Screen:

Tapping on “**Professional Judge**” on the “Professional Dashboard” screen opens the “Facility Map” screen (next page).

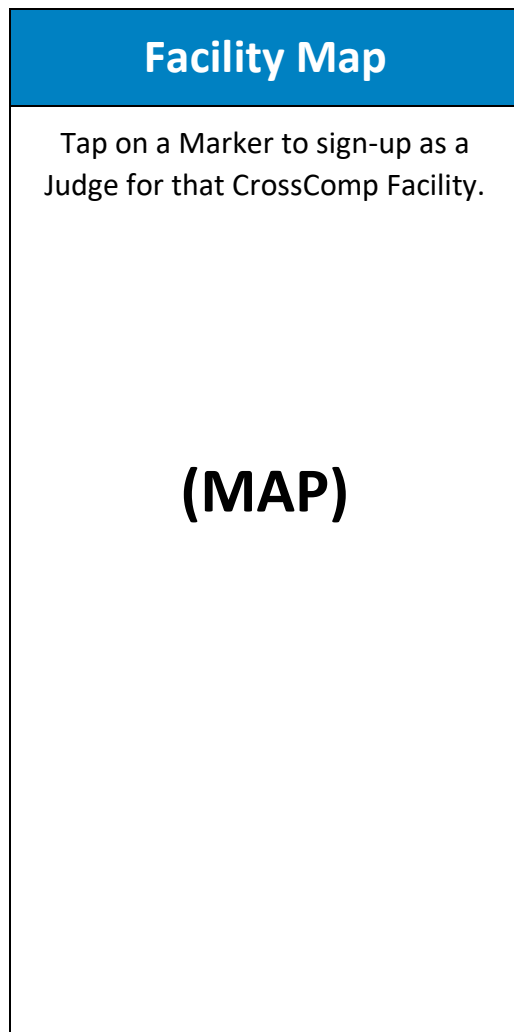

Professional Judges sign-up with the Gym Managers of local CrossComp Facilities of their choice. Then, when that Gym Manager needs a Judge for its CrossComp schedule (at ANY of his/her Facilities), the Professional Judge will receive a text message that a Judging Shift (Hour-Block) is available. (Refer to Part 3B-REVISED, page 7: "Available Shift" screen.)

If the Professional Judge accepts the available shift (by tapping the "Yes, I'll take it!" button), the Judge's Name appears on the Gym Manager's "Judge Schedule" for that Facility (refer to Part 3B-REVISED, page 5), AND the shift (Hour-Block) that the Judge accepted appears on his/her (the Judge's) "My Judging Schedule" (refer to page 4).

To receive text-messages of available judging shifts at local Facilities, the Professional Judge has to Sign-Up with 1 or more Gym Manager's by using the "Facility Map" screen (below).

The "Facility Map" screen is a Map with Blue Markers of all the current CrossComp Facilities.

Facility Map Screen:

The "Facility Map" screen opens with the user's location in the center of the Map, and shows about a 10-mile radius.

The location of each CrossComp Facility is indicated with a Blue Marker.

Tapping a Blue Marker on the Map opens the "Judge Sign-Up" screen (page 3) with the Gym Manager of that specific Facility.

If the Judge signs-up with a Gym Manager, ALL the Facilities managed by that Gym Manager will be indicated by a GREEN Marker on the Map, and if tapped, it opens the Judge's "My Judging Schedule" screen (page 4).

When the Professional Judge taps a Blue Marker on the “Facility Map” screen (previous page), the “Judge Sign-Up” screen for that Facility opens.
