The CrossComp App

Part 2A - Profile

Profile - Tapping "Profile" on the "Menu" screen (Refer to Part 1, page 22 for Participants, page 30 for Volunteers, and page 39 for Professionals.) opens the "Profile" screen.

The "Profile" screen lists some of the information that the App stores in its database for each Participant. It is a convenient way for the Participant to verify or edit their information. (Refer to Notes on page 3.)

Profile Screen:

Profile		Source	Example
First Name	Edit	At Sign-Up	Jon
Last Name	Edit	At Sign-Up	Opsahl
Date	Participant	Sign-Up Date-Stamp	02/16/2021
Date	Volunteer	Sign-Up Date-Stamp	---
Date	Professional	Sign-Up Date-Stamp	---
Phone #	Edit	At Sign-Up	909-957-2730
Email	Edit	At Sign-Up	DrOpsahl@gmail.com
Password	Edit	At Sign-Up	7-characters
Postal Code	Edit	At Sign-Up	92506
League		Link-Embedded Code	Compassion Unlimited
Conference		By Postal Code	Southeastern California
Union		By Postal Code	Pacific
Division		By Postal Code	North American

Scroll Down

Profile	Source	Example
City	By Postal Code	**Riverside**
County	By Postal Code	**Riverside**
State	By Postal Code	**California**
Country	By Postal Code	**United States**
Continent	By Postal Code	**North America**
Date of Birth	CrossComp 1	**03/10/1960**
Age	Calculated from DoB	**61.05**
Height	CrossComp X	**5'08"**
Weight	CrossComp X	**148**
BMI	Calculated from Ht:Wt	**23.4**

Height/Weight: **Imperial**

SERVICES

Tapping the "Services" button opens the "Services" screen (page 4).

PURCHASES

Tapping the "Purchases" button opens the "Purchases" screen (page 5).

Notes regarding the information on the Profile:

- The Participant uses a Link (with an embedded code) to download the App
  - The embedded code determines the Participant's **League**.
- When the Participant's first signs-up, the Participant provides his/her:
  - First Name
  - Last Name
  - Phone #
  - Email
  - **Password** – **I forgot to include a space for entering a <u>Password</u> on the "Sign-Up" screen.**
  - Postal Code
- The Participant's personal information can be edited by the Participant by tapping the "Edit" icon.
  - Tapping the "Edit" icon opens a secondary window for editing the information and then tapping a "Save" button.
- The App Date-Stamps when the Participant signs-up as a:
  - Participant
  - Volunteer
  - Professional
- The Participant's **Postal Code** automatically determines the Participant's locations:
  - Conference
  - Union
  - Division
  - City
  - County
  - State
  - Country
  - Continent
- If the Participant edits their Postal Code, all the locations (listed above) change automatically to match the new Postal Code.
- The Service Provider for the Participant's first **CrossComp (1)** verifies the Participant's ID (Name, Postal Code, DoB) and enters his/her Date of Birth.
- At every **CrossComp (X)**, the Service Provide enters the Participant's current Height & Weight.
- The App Calculates the Participant's:
  - Age (MM.YY) from his/her DoB
  - BMI from his/her Ht:Wt
- Tapping "Imperial" (default) toggles to the "Metric" system for Ht:Wt values and calculating BMI

NOTE:
- The "Sign-In" screen (not shown, Part 1, page 2) uses the Participant's **Phone # & Password**.
- The "Sign-In" screen should also have a "__ Remember Me" option.
- The space for the Password on the "Sign-Up" screen should be between the Email and the Postal Code.

Services - Tapping the "Services" button on the Profile screen opens the "Services" screen.

The Services screen lists all the services in which the Participant has participated that were provided by a CrossComp Affiliate. Each service is listed by date in chronological order and identifies WHAT service was provided on that date and WHERE it was provided.

Services Screen:

Services	Examples
Date Service	04/12/2021 CrossComp Andulka Park, Riverside, CA
Date Service	05/06/2021 Training BreckenFit Gym, Riverside, CA
Date Service	07/23/2021 CrossComp Andulka Park, Riverside, CA
	If you have a better way of doing this, let me know.

Purchases - Tapping the "Purchases" button on the Profile screen opens the "Purchases" screen.

The Purchases screen lists all the purchases that the Participant purchased for CrossComp services. Each purchase is listed by date in chronological order and identifies HOW MUCH was received using what Credit/Debit CARD (last 4-digits) and for WHAT service.

Purchases Screen:

Purchases	Example
Date Purchase	07/15/2021 $15.00, CC-6131 CrossComps 3 If you have a better way of doing this, let me know.

Part 2B - Map

Service Listings – Local CrossComp Services (Facilities and Events) are added to the "Map" by Professional Affiliates. (Refer to Part 1, page 12 **Map** and page 13 **When?**.)

The following screens demonstrate how Professional Affiliates "**Register**" their CrossComp Services.

Tapping "Professional" on the Professional "Menu" screen (Refer to Part 1, page 39.) opens the Professional "Dashboard" screen.

Professional Dashboard Screen:

Professional
CrossComp Trainer
Professional Judge
Event Coordinator
Gym Manager
League Commissioner
Regional Directors
Volunteer

Tapping on "**Event Coordinator**" or "**Gym Manager**" on the "Professional Dashboard" screen opens the respective screen shown on the **next page**.
- To Register an "Event" on the "Map," the Affiliate would tap "Event Coordinator."
- To Register a "Facility" on the "Map," the Affiliate would tap "Gym Manager."

Event Coordinator
Manage Events
Manage Judges
Manage Participants

Tapping on
"**Manage Events**"
or
"**Manage Facilities**"
opens the respective
screen on the
next page.

Gym Manager
Manage Facilities
Manage Judges
Manage Participants

My Events/Facilities Screens: Before any Events/Facilities have been listed.

My Events
Add an Event

Tapping on the "**Add an Event**" button or the "**Add a Facility**" button opens the respective Registration screen on the **next page**.

My Facilities
Add a Facility

Event/Facility Registration Screens:

Event Registration
To Register your CrossComp Event and have it appear on our Map, enter the following information:
Name of Event
Street Address
City
State
Country
Postal Code
Day of Event
Date of Event
Hour Block 1
Hour Block 2
Hour Block 3
Hour Block 4
Hour Block 5
Submit

Tapping on the "**Submit**" button adds the **Name** of the Event/Facility to the "My Events/Facilities" screen. (Refer to the next page.)

It also puts a **Marker** (Green for an Event or Blue for a Facility) on the Map at the specified location.

Tapping on the Marker on the Map opens the "When?" screen for that Event or Facility. (Refer to Part 1, page 13.)

Facility Registration
To Register your CrossComp Facility and have it appear on our Map, enter the following information:
Name of Facility
Street Address
City
State
Country
Postal Code
Monday Hour Block
Tuesday Hour Block
Wednesday Hour Block
Thursday Hour Block
Friday Hour Block
Saturday Hour Block
Sunday Hour Block
Submit

- An Event can only be Registered as a <u>ONE</u> DAY event.
- A Facility can only be Registered with an on-going <u>weekly</u> schedule.
    - When a Participant schedules his/her CrossComp at a Facility (Refer to Part 1, page 13) by selecting a DAY (a Mon, Tues, etc.), the DATE of the Participant's Reservation (Refer to Part 1, page 14.) is on whatever DATE that next DAY occurs.
- At least 1 Hour Block (Example: 1:00 - 3:00 pm) is required for each Event/Facility.
- Only ONE Marker per location is allowed at the same time (first come, first served).
- Markers appear on the Map when the Event/Facility is Registered.
    - Event Markers disappear from the Map automatically after the date of the Event.
    - Markers (Facility & Event) can be manually removed from the Map by tapping the Red X next to its listing on the "My Events/Facilities" screen (next page), which deletes it from the database.

My Events/Facilities Screens: After 1 Event/Facility has been listed.

My Events		My Facilities
Andulka Park　　　**X** **Add an Event**	Tapping on the listed **Event** or **Facility** opens its Registration screen (previous page) **WITH its information preloaded for editing.** Tapping the **Red X** and **confirming** deletes the Event/Facility from the database and removes the Marker from the Map. Tapping on the "**Add an Event**" button or the "**Add a Facility**" button opens the blank Registration screen (previous page) for Registering another Event or Facility.	**BreckenFit Gym**　　　**X** **Add a Facility**

The list of Events/Facilities on each screen are in alphabetical order.
